Re: QC Clearing 40.6(a) Rule Submission QCC.2025.2

I. Introduction

QC Clearing LLC, d/b/a Polymarket Clearing (“Polymarket Clearing” or the “DCO”), a derivatives clearing organization (“DCO”) registered with the Commodity Futures Trading Commission (“Commission” or “CFTC”), hereby files this Notice pursuant to Commission Regulation 40.6(a) to inform the Commission of proposed revisions to its Rulebook. These revisions are primarily designed to establish a standalone DCO Rulebook, separating the DCO rules from those previously within the joint Rulebook with QCX, LLC, d/b/a Polymarket US, Polymarket Clearing’s affiliate Designated Contract Market (“DCM”).

Polymarket Clearing operates as a DCO providing clearing services to DCMs. As a registered DCO, Polymarket Clearing is committed to maintaining a comprehensive and effective Rulebook that governs its operations, its relationship with Clearing Members, and its adherence to regulatory requirements.

The revised Rulebook is attached as Exhibit A and shall become effective on August 25th, 2025. Terms used in this notice with initial capital letters but not defined herein shall retain the definitions assigned to them in the Rulebook.

II. Concise Explanation and Analysis of the Revisions, and their Compliance with Applicable Provisions of the Commodity Exchange Act (CEA), including the Core Principles and the Commission’s Regulations

The proposed revisions to Polymarket Clearing's Rulebook are primarily designed to establish a standalone DCO Rulebook, separating the DCO rules from those previously within the joint rulebook with QCX, LLC d/b/a Polymarket US (a DCM). This separation aims to enhance clarity, specificity, and regulatory alignment for Polymarket Clearing's DCO activities. These revisions further reflect Polymarket Clearing's ongoing commitment to compliance with the CEA and Commission Regulations. Specifically, these revisions aim to:

- Establish a clear, dedicated, and comprehensive Rulebook specifically governing Polymarket Clearing's as a DCO.
- Enhance clarity and transparency within the Rulebook by clearly delineating DCO-specific requirements.
- Add additional clarity for providing Clearing Services to DCMs.
- Strengthening existing provisions related to the provision of Clearing Services, Conflicts of Interest, default procedures, or participant eligibility.

The proposed revisions have been developed with careful consideration of, and are designed to ensure, continued compliance with applicable provisions within the Commodity Exchange Act (ACT), including core principles and CFTC regulations thereunder. As outlined previously, the majority of the revisions establish a standalone DCO Rulebook, including removal of DCM specific requirements, removal of references to the joint entity, QCEX, references to QCX LLC, and removal of governance information unrelated to the Clearinghouse. Additionally, the revisions update QC Clearing LLC's d/b/a to reflect the new assumed name of Polymarket Clearing.

The establishment of a standalone DCO Rulebook directly supports several Core Principles. The separation of DCO-specific rules from those of the DCM clarifies the DCO's governance and legal framework, aligning with Core Principles (O) Governance fitness standards and (R) Legal risk. This approach minimizes conflicts of interest by ensuring the DCO's decision-making process is governed by its own independent rules, aligning with Core Principle (P) Conflicts of interest. The updated Rulebook strengthens this commitment by replacing the previous reference to CFTC Regulation 1.69 in Rule 2.8 with a detailed, prescriptive conflicts of interest rule. This revised rule 2.8 outlines specific procedures for identifying, disclosing, and resolving both "named party in interest" and "financial interest" conflicts. The rule's requirements for mandatory disclosure to the Chief Compliance Officer, a formal recusal process provides a robust, transparent, and enforceable framework for managing conflicts in all deliberations and voting.

Furthermore, the revised Rulebook strengthens key operational areas in line with the Core Principles. The addition of Rule 3.1(h) is a significant enhancement to the DCO's framework for managing conflicts of interest and ensuring a fair and competitive marketplace, in the event an affiliate is a Participant. This new rule establishes clear conditions for an affiliate to become a Participant, including access on non-preferential terms, the establishment of firewalls to prevent access to non-public information, and physical separation of operations. This directly addresses Core Principle (P) Conflicts of interest by creating a structured process to minimize potential conflicts. Additionally, by ensuring that affiliates do not receive preferential treatment and must adhere to the same rules as other participants, the DCO is demonstrating its commitment to Core Principle (N) Antitrust considerations, ensuring its rules do not result in any unreasonable restraint of trade or imposing any material anti-competitive burden.

The addition of Rule 5.1(d) provides a clear and transparent process for the DCO to accept or reject contracts for clearing. By clarifying that automated systems will be used to coordinate with exchanges and apply non-discriminatory risk criteria, this rule supports Core Principle (D) Risk management by ensuring that only contracts that satisfy the DCO's risk filters are accepted for clearing. The requirement that the criteria for clearing be non-discriminatory across exchanges

also directly addresses Core Principle (N) Antitrust considerations, preventing the DCO from imposing any material anti-competitive burden. The rule further enhances Core Principle (R) Legal risk by creating a well-founded, transparent, and enforceable legal framework for its clearing services.

4.3. — Orders

~~(a) — The Authorized Users of each Participant shall enter Orders by electronic transmission to, and shall be required to provide the information required on the Order entry page of the QCEX Direct System. The Exchange shall maintain an electronic record of those entries. Each Participant shall be responsible for any and all Orders in its Account to be entered by any of its Authorized Users.~~

~~(b) — Order rate limiter functionality may cap the maximum number of Orders that may be submitted to the Exchange per second (or per a specific time period expressed in seconds) per Participant or Authorized User of a Participant, in order to prevent a risk of harm to the Exchange. Similarly, QCEX may limit the number of messages submitted to the Exchange for the same purpose.~~

~~(c) — Any Participant submitting Orders, or any other messages to the Exchange, including but not limited to messages related to the cancellation or amendment of an Order, whether manually or via automated functionality, must ensure adequate controls are in place to prevent excessive messaging or other activity that may be deemed detrimental or disruptive to the Exchange.~~

~~(d) — Participants are prohibited from entering Orders on the QCEX Direct System if there are insufficient funds in the Participant's Account to satisfy such Orders if they are executed. QCEX may, in its discretion, impose penalties and take such other action against a Participant if the circumstances warrant should the Participant violate this Rule 4.3(d).~~

~~(e) — QCEX's Direct System will maintain an electronic record of all Orders to trade Contracts, and all executed Contracts.~~

~~(f) — The Exchange may make information regarding Orders (including prices bid or offered), trades and any other matters it may deem appropriate available to Participants, Authorized Users and other Persons at such times and in such manner (whether through the QCEX Direct System, a ticker, financial information services or otherwise) as it may consider necessary or advisable from time to time.~~

~~(j) — Any Standing Limit Order that has been entered into the QCEX Direct System may be cancelled unless and until it has been executed or has otherwise expired. QCEX will attempt to cancel an existing Order as soon as possible after a Participant enters a cancellation instructions. However, the Order may be executed before QCEX is able to cancel it. If an Order has been filled in whole or in part, a Participant may cancel only that portion of the Order (if any) that has not been executed. Such cancellation will become effective upon the issuance of an acknowledgement by the QCEX Direct System of the cancellation of the Order, as the case may be.~~

~~(k) — As a CFTC registrant, QCEX has the authority to adjust trade prices or cancel transactions when necessary to mitigate market disrupting events caused by malfunctions in its electronic trading platform(s) or errors in Orders submitted by Participants, and QCEX will utilize this authority when, in its sole discretion, it deems such action necessary or appropriate.~~

~~4.4. — Execution and Confirmation Process~~

~~Orders to buy or sell any Contract are subject to any margin or settlement requirements as imposed from time to time by the Clearinghouse. All Orders are matched with each other and executed electronically through the QCEX Direct System in accordance with an algorithm that gives first priority to Orders at the best price and priority among Orders entered at the same price based on their time of entry into the QCEX Direct System, with the Order first entered receiving first priority. Without limiting the generality of the foregoing, the algorithm to match Orders entered in the QCEX Direct System is based upon the following principles:~~

~~(a) — An Order at a better price will always have priority over Orders at inferior prices. As among Orders at the same price, an Order with time priority will be executed before Orders that have been entered after the Order with time priority.~~

~~(b) — Time priority will be assigned to the first Order at a price that betters the best price prevailing when the Order is received. Only one buy Order and one sell Order can have time priority at any given time. Orders with time priority will be matched first regardless of their respective sizes.~~

~~(c) — An Order will not lose time priority with respect to Orders at the same price if and when an Order at a better price is entered, but it will lose price priority.~~

~~(d) — Once an Order with time priority has been filled, the algorithm described herein will be applied to the remaining Orders at the same price. Thus, the Order received immediately after the Order that initially had time priority will be assigned time priority and be the next Order to be executed at such price.~~

~~Notwithstanding anything in these Rules to the contrary, the Exchange may at any time use a different matching algorithm for a particular Contract by giving notice of such algorithm to all Participants at least ten (10) Trading Days before such algorithm is implemented.~~

~~4.5. — Permitted Order Types~~

~~(a) — Except as otherwise provided in Rule 4.5, all Orders must be entered and executed on the QCEX Direct System.~~

~~(b) — Standing Limit Orders may be subject to minimum contract quantity requirements and will be executed when entered, in whole or part, to the extent that there are opposite Orders open in the QCEX Direct System, with any balance to remain as an open Order until it is executed, cancelled, expires, or is replaced by a Standing Limit Order with price priority.~~

~~(c) — Marketable Limit Orders may be for one or more contracts and will be executed when entered, in whole or part, to the extent that there is an opposite Standing Limit Order open in the QCEX Direct System, with any balance immediately cancelled.~~

~~4.6. — Trade Confirmations~~

~~————— A printable record of all of the terms of each trade entered into on the Exchange or pursuant to the Rules will be available on the QCEX Direct System interface on the Participant's activity page immediately upon execution. Such record shall legally supersede any previous agreement and serve as a confirmation of each such trade. The QCEX Direct System may send confirmation messages to Members upon execution of a trade via the API, mobile application, and/or website, if such Participant is online at the time. However, please note that if such Participant is not online at the time of execution, the confirmation(s) will be provided when such Participant next logs on to the QCEX Direct System interface. The contract type, size, execution time and execution method for each trade will be made available on the website to all Participants after successful execution of any trade.~~

~~4.7. — Errors~~

~~(a) — Upon receipt of an error notification, either internally generated or from a Participant, the Exchange will review its electronic audit trail to determine, in its sole discretion, if the Exchange incorrectly rejected or processed an Order:~~

~~1. — On the same Business Day if the request was received prior to 12:00 Noon on a Business Day.~~

~~2. By the end of the following Business Day if such request was received after 12:00 Noon on a Business Day or on any day that is not a Business Day.~~

~~(b) The determination of the Exchange in its absolute and sole discretion is final.~~

~~(c) If the review reveals that the Order was correctly processed by the Exchange, then the Exchange in its sole discretion may resolve the Participant's review request as follows:~~

~~1. If the system behavior is due to any fault of the Participant or the Authorized User, make no adjustments.~~

~~2. if the system behavior could not reasonably be anticipated or is due to no fault by the Participant or the Authorized User, the Exchange in its sole and absolute discretion may make a monetary adjustment from its own funds, that the Exchange in its sole and absolute discretion believes represents a fair and equitable resolution of the Order's handling, provided that the Exchange shall have no obligation to do so.~~

~~3. No adjustments to another Participants' positions shall be undertaken.~~

~~(d) If the review reveals that the Order was incorrectly handled by the Exchange, then the Exchange in its sole and absolute discretion may resolve the Participant's error by:~~

~~1. cancelling such trade in the Accounts of all directly affected Participants.~~

~~2. making a monetary adjustment, which in the sole and absolute discretion of the Exchange and from its own funds, that the Exchange in its sole and absolute discretion believes represents a fair and equitable resolution of the Order's handling, provided that the Exchange shall have no obligation to do so.~~

~~4.8. [Reserved]~~

~~4.9. Position Limits and Position Accountability~~

~~(a) Position Limits~~

~~1. Position limits may be established by the Exchange from time to time for any Contract.~~

~~2. The maximum position will be set forth in the Contract Rules of any Contract with such limits.~~

~~3. No Person shall be permitted to enter into any transaction on the Exchange that would cause such Person to exceed any position limit, except that:~~

~~1. Upon application from a Participant, for hedging or other good cause shown, the Exchange in its sole discretion may exempt the Participant from limit on temporary or permanent basis.~~

~~2. Any exemption may include new limits.~~

~~3. The Exchange shall have the authority to review and rescind any exemption.~~

~~4. For purposes of this Rule 4.9(a), the Exchange will aggregate the Accounts for all Participants as provided by CFTC Regulation 150.4.~~

Any written report of investigation will include the reasons for initiating the investigation (including a summary of the complaint, if any), all relevant facts and evidence gathered, and the recommendation of the Compliance Department. For each potential

3. the closing of the investigation without any action, and without the issuance of a warning letter, because disciplinary proceedings are not warranted and no reasonable basis exists to believe that a violation within QCEX's the Clearinghouse's jurisdiction has occurred or is about to occur.

7.4. Notice of Charges and Opportunity to Respond

(a) If the Chief Compliance Officer authorizes disciplinary proceedings pursuant to Rule 7.3, the Compliance Department will prepare in accordance with this Rule 7.4 and serve in accordance with this Rule 7.4, a notice of charges within twenty (20) Business Days thereafter.

(c) If the respondent submits a written statement pursuant to Rule 7.4(b)(iv), the Chief Compliance Officer shall, within ten (10) Business Days after receipt of the written statement, advise the respondent:

(e) Any failure by the respondent to timely serve an answer to a notice of charges will be deemed to be an admission to the allegations in such notice. Any failure by the respondent to answer one or more allegations in a notice of charges will be deemed to be an admission of that allegation or those allegations. Any allegation in a notice of charges that the respondent fails to expressly deny will be deemed to be admitted. A general denial by the respondent, without more, will not satisfy the requirements of paragraph (b) above.

(f) Any notice of charges or other documents contemplated to be served pursuant to this Chapter 7 may be served (and service shall be deemed complete) upon the respondent either personally or by (i) leaving the same at his or her place of business or by deposit in the United States mail, postage prepaid, via registered or certified mail addressed to the respondent at the address as it appears on the books and records of QCEXthe Clearinghouse, or (ii) sending the same via electronic mail to the e-mail address of the respondent as it appears on the books and records of QCEXthe Clearinghouse.

7.5. Settlements

(a) A respondent or potential respondent may at any time propose in writing an offer of settlement to anticipated or instituted disciplinary proceedings. Any offer of settlement should contain proposed findings and sanctions and be signed by the respondent or potential respondent and submitted to the Compliance Department. A respondent or potential respondent may offer to settle disciplinary proceedings without admitting or denying the findings contained in the order of the disciplinary proceedings but must accept the jurisdiction of QCEXthe Clearinghouse over it and over the subject matter of the proceedings and consent to the entry of the findings and sanctions imposed.

(b) If a respondent or potential respondent submits an offer of settlement in accordance with paragraph (a) above, the Compliance Department will forward the offer to the Chief Compliance Officer with a recommendation on whether to accept or reject the offer. If the Chief Compliance Officer conditionally accepts an offer of settlement, the settlement will become final upon the expiration of twenty (20) Business Days after an order of the disciplinary proceedings consistent with the terms of the offer of settlement is served on the respondent.

(c) If an offer of settlement is accepted and the related order of disciplinary proceedings becomes final, the respondent's submission of the offer will be deemed to constitute a waiver of the right to notice, opportunity for a hearing and review and appeal under these Rules.

(d) If the offer of settlement of a respondent or potential respondent is not accepted, fails to become final or is withdrawn by the respondent or potential respondent, the matter will proceed as if the offer had not been made and the offer and all documents relating to it will not become part of the record. Neither a respondent or potential respondent nor the Compliance Department may use an unaccepted offer of settlement as an admission or in any other manner at a hearing of, or appeal from, disciplinary proceedings.

7.6. Disciplinary Panel

(a) A disciplinary panel consisting of five individuals selected by the Board of Directors (the “**Disciplinary Panel**”), will conduct hearings in connection with any disciplinary proceedings, to make findings and impose sanctions pursuant to this Chapter 7. No Disciplinary Panel shall be comprised in a manner such that any group or class of industry participants may reasonably be expected to dominate or exercise disproportionate influence on such panel. Each Disciplinary Panel shall consist of individuals who (1i) would qualify as a Public Director (if the individual is a director of ~~QCEX~~the Clearinghouse), except in cases limited to decorum, attire, or the timely submission of accurate records required for clearing or verifying each day’s transactions and (2ii) are drawn from the NFA’s Hearing Committee. By not timely filing a request for disqualification, the respondent will be deemed to have waived any objection to the composition of a Disciplinary Panel. The Chief Compliance Officer will decide the merits of any request for disqualification within his or her sole discretion. Any such decision will be final and not subject to appeal.

(c) All disciplinary proceedings (except for summary impositions of fines pursuant to Rule 7.13) will be conducted at a hearing before the Disciplinary Panel. A hearing will be conducted privately and confidentially unless the Disciplinary Panel decides that the hearing, or any part of it, should be held in public after giving each respondent the opportunity to present its, his or her views on holding a public hearing. Notwithstanding the confidentiality of hearings, the Disciplinary Panel may appoint an expert to attend any hearing and assist in deliberations if such expert agrees to be subject to an appropriate confidentiality agreement.

(d) After reasonable notice to each respondent, the Disciplinary Panel will promptly (but in no event later than thirty (30) Business Days following such notice) convene a hearing to conduct the disciplinary proceedings with respect to such respondent. Parties to a disciplinary proceeding include each respondent and the Compliance Department.

(e) The chairman of the Disciplinary Panel may continue, adjourn or otherwise conduct the hearing, as he or she may deem appropriate. The chairman of the Disciplinary Panel will determine all procedural and evidentiary matters, including the admissibility and relevance of any evidence proffered. In determining procedural and evidentiary matters, the chairman of the Disciplinary Panel will not be bound by any evidentiary or procedural rules or law. Once admitted during the hearing, the Disciplinary Panel may consider, and attach the weight it believes appropriate to, evidence or other materials. ~~QCEX~~The Clearinghouse will provide guidance to the chairman of the Disciplinary Panel on the conduct of the hearing.

(f) Except for procedural and evidentiary matters decided by the chairman of the Disciplinary Panel pursuant to paragraph (e) above, unless each respondent otherwise consents, the entire Disciplinary Panel must be present during the entire hearing and any related deliberations.

7.7. Respondent Review of Evidence

(a) Prior to the commencement of a hearing, each respondent will be given the opportunity to review all books, records, documents, papers, transcripts of testimony and other tangible evidence in the possession or under the control of ~~QCEX~~the Clearinghouse that the Compliance Department will use to support the allegations and proposed sanctions in the notice of charges or which the chairman of the Disciplinary Panel deems relevant to the disciplinary proceedings. Notwithstanding the foregoing, no respondent will have the right to review, and ~~QCEX~~the Clearinghouse will have no obligation to disclose, any information protected by attorney-client privilege or any other privileges recognized by Applicable Law.

(b) If any books, records, documents, papers, transcripts of testimony, or other tangible evidence contain information that could adversely affect the competitive position of the Person providing the information or if such information might compromise other investigations being conducted by the Compliance Department, the Compliance Department may redact, edit or code such information before furnishing it to the respondent.

(c) Notwithstanding anything in paragraph (b) above to the contrary, the Compliance Department:

1. will not redact, edit or code competitive or investigative information contained in documents in a manner that would impair the respondent's ability to defend against the allegations or proposed sanctions in the notices of charges, and
2. will provide the respondent with access to the information and portions of the documents that the Compliance Department intends to rely on to support the allegations or proposed sanctions in the notice of charges.

(d) For purposes of this Rule 7.7, information that could adversely affect competitive positions include positions in Contracts currently held, trading strategies employed in establishing or liquidating positions, the identity of any Participant or Authorized User and the personal finances of the Person providing the information.

7.8. Hearings

(a) At a hearing conducted in connection with any disciplinary proceedings, the Compliance Department will present its case supporting the allegations and proposed sanctions in the notice of charges to the Disciplinary Panel. If a respondent has timely filed an answer to the notice of charges in accordance with Rule 7.4, the respondent is entitled to attend and participate in the hearing.

(b) At a hearing conducted in connection with any disciplinary proceedings, the Disciplinary Panel or the Compliance Department and each respondent may:

1. present evidence and facts determined relevant and admissible by the chairman of the Disciplinary Panel;

2. call and examine witnesses; and
3. cross-examine witnesses called by other parties.

(c) If the respondent fails to file an answer, has filed a general denial, or if any or all of the allegations in the notice of charges are not expressly denied in the respondent's answer, the chairman of the Disciplinary Panel may limit evidence concerning any allegations not expressly denied in determining the sanctions to impose. If a respondent fails to file an answer but appears at the hearing, the respondent may not participate in the hearing (by calling or cross-examining witnesses, testifying in defense, presenting evidence concerning the notice of charges, or otherwise) unless the Disciplinary Panel determines that the respondent had a compelling reason for failing to timely file an answer. If the Disciplinary Panel determines that the respondent had a compelling reason for failing to timely file an answer, the Disciplinary Panel will adjourn the hearing and direct the respondent to promptly file a written answer in accordance with Rule 7.4.

(d) Any Person entitled, or required or called upon, to attend a hearing before a Disciplinary Panel pursuant to paragraph (b)(ii) above will be given reasonable notice, confirmed in writing, specifying the date, time and place of the hearing, and the caption of the disciplinary proceedings. QCEXthe Clearinghouse will require all Participants and Authorized Users that are called as witnesses to appear at the hearing and produce evidence. QCEXThe Clearinghouse will make reasonable efforts to secure the presence of all other Persons called as witnesses whose testimony would be relevant.

(e) If during any disciplinary proceedings the Disciplinary Panel determines that a reasonable basis exists to believe that the respondent violated or is about to violate a Rule or a provision of Applicable Law other than the violations alleged in the notice of charges, the Disciplinary Panel may consider those apparent violations after providing the respondent with an opportunity to answer the additional allegations in accordance with Rule 7.4. In connection with considering apparent violations pursuant to this paragraph (e), the Disciplinary Panel may request that the Compliance Department provide the Disciplinary Panel with any additional information.

(f) The Disciplinary Panel may summarily impose sanctions on any Participant or Authorized User that impede or delay the progress of a hearing.

(g) QCEXThe Clearinghouse will arrange for any hearing conducted in connection with disciplinary proceedings to be recorded hearing verbatim, or substantially verbatim, in a manner capable of accurate transcription. If the respondent requests a copy of all or portions of the recording of a hearing, the chairman of the Disciplinary Panel may within his or her sole discretion order the respondent to pay the costs for transcribing the recording of the hearing.

(h) No interlocutory appeals of rulings of any Disciplinary Panel or chairman of the Disciplinary Panel are permitted.

7.9. Decision of Disciplinary Panel

(a) As promptly as reasonable following a hearing, the Disciplinary Panel will issue an order rendering its decision based on the weight of the evidence contained in the record

of the disciplinary proceedings. A decision by a majority of the Disciplinary Panel will constitute the decision of the Disciplinary Panel.

(b) QCEXThe Clearinghouse will serve a copy of the order of the disciplinary proceedings on the respondent and the Compliance Department. The order will include:

1. the notice of charges or summary of the allegations;
2. the answer, if any, or a summary of the answer;
3. a brief summary of the evidence introduced at the hearing;
4. findings of fact and conclusions concerning each allegation, including each specific Rule and provision of Applicable Law that the respondent is found to have violated;
5. the imposition of sanctions, if any, and the effective date of each sanction; and
6. notice of the respondent's right to appeal pursuant to Rule 7.12.

(c) Unless a timely notice of appeal is filed pursuant to Rule 7.12, the order of the disciplinary proceedings will become final upon the expiration of twenty (20) Business Days after the order is served on the respondent and a copy thereof is provided to the Compliance Department.

7.10. Sanctions

(a) After notice and opportunity for hearing in accordance with these Rules, QCEXthe Clearinghouse will impose sanctions if a Participant or Authorized User is found to have violated or to have attempted to violate a Rule or provision of Applicable Law for which QCEXthe Clearinghouse possesses disciplinary jurisdiction. QCEXThe Clearinghouse may impose one or more of the following sanctions or remedies: (i) censure; (ii) limitation on ~~Trading Privileges and/or~~ Clearing Privileges, association with a Participant or other activities, functions or operations; (iii) suspension of ~~Trading Privileges and/or~~ Clearing Privileges or association with a Participant; (iv) fine (subject to paragraph (b) below); (v) restitution or disgorgement; (i) termination of ~~Trading Privileges and/or~~ Clearing Privileges; or (vii) any other sanction or remedy deemed to be appropriate. All sanctions, including those imposed pursuant to an accepted settlement offer, shall take into account respondent's disciplinary history and remediation efforts.

(b) QCEXThe Clearinghouse may impose a fine of up to \$500,000 for each violation. If a fine or other amount is not paid within thirty (30) Business Days of the date that it becomes payable, then interest will accrue on the sum from the date that it became payable at the quoted prime rate plus three percent. QCEXThe Clearinghouse has sole discretion to select the bank on whose quotations to base the prime rate. Each Participant will be responsible for paying any fine or other amount imposed on, but not paid by, any Authorized User authorized by, or other agent or representative of, such Participant.

(c) No more than one warning letter may be issued to the same Person found to have committed the same rule violation within a rolling twelve-month period.

7.11. Costs

(a) Regardless of the outcome of any disciplinary proceeding, the Disciplinary Panel may order a respondent to pay some or all of the costs associated with the disciplinary proceedings that the Disciplinary Panel believes were unnecessarily caused by the respondent. Costs may include costs associated with the inquiry or investigation, the prosecution by the Compliance Department, legal and professional assistance, the hearing and administrative and other expenses incurred by the Disciplinary Panel.

(b) The Disciplinary Panel may only award costs against ~~QCEX~~the Clearinghouse if it concludes that ~~QCEX~~the Clearinghouse has behaved in a manifestly unreasonable manner in the commencement or conduct of the disciplinary proceedings in question. The Disciplinary Panel must limit any award of costs against ~~QCEX~~the Clearinghouse to an amount that it concludes is reasonable and appropriate, but does not exceed the respondent's costs for external legal or other external professional assistance.

(c) The Disciplinary Panel may determine the amounts and allocation of costs in any manner it may deem appropriate. ~~QCEX~~The Clearinghouse or the respondent will pay any costs ordered to be paid by it by the Disciplinary Panel within thirty (30) Business Days of the later of either written notice of (i) the amount imposed by the Disciplinary Panel or (ii) the determination of an appeal by the Appeals Panel against the Disciplinary Panel's determination.

7.12. Appeals

(a) Each respondent found by the Disciplinary Panel to have violated a Rule of or a provision of Applicable Law or who is subject to any summary fine imposed pursuant to Rule 7.13 or any summary sanction imposed pursuant to Rule 7.14 may appeal the decision within twenty (20) Business Days of receiving the order of the disciplinary proceedings or the notice of summary action, as the case may be, by filing a notice of appeal with the Chief Compliance Officer. While an appeal is pending, the effect of the order of disciplinary proceedings or the summary action (including any sanctions, remedies or costs imposed thereby) shall be suspended; *provided, however*, any summary sanction entered under Rule 7.14 shall continue in effect during the appeal.

(b) The notice of appeal must state in writing the grounds for appeal, including the findings of fact, conclusions or sanctions to which the respondent objects. An appellant may appeal the order of disciplinary proceedings or any summary decision on the grounds that:

1. the decision was arbitrary, capricious, an abuse of discretion, or not in accordance with the Rules;
2. the decision exceeded the authority or jurisdiction of the Disciplinary Panel, the Chief Compliance Officer or ~~QCEX~~the Clearinghouse;
3. the decision failed to observe required procedures;

4. the decision was unsupported by the facts or evidence; or
5. the imposed sanctions, remedies or costs are inappropriate or unsupported by the record.

(c) The Chief Compliance Officer will forward copies of any notice of appeals received by it to all parties to the disciplinary proceeding or summary action, as the case may be, except the appellant. On or before the twentieth (20th) Business Day after filing a notice of appeal, the appellant must file with the Chief Compliance Officer and serve on the Compliance Department a brief supporting the notice of appeal and documents supporting the brief. On or before the twentieth (20th) Business Day after the date on which the appellant serves their supporting brief, the appellee must file and serve its brief in opposition. On or before the tenth (10th) Business Day after the date on which the appellee serves its brief in opposition, the appellant must file and serve a brief in reply.

(d) In connection with any appeal, the Compliance Department will furnish to the Chief Compliance Officer and to the respondent/appellant a transcript of the hearing, any exhibits introduced at the hearing, the notice of appeal and briefs filed to support and oppose the appeal.

(e) Within thirty (30) Business Days after the last submission filed pursuant to paragraph (c) above, the Chief Compliance Officer will appoint the Appeals Panel to consider and determine the appeal. If less than 3 individuals from the Regulatory Oversight Committee are eligible to serve on the Appeals Panel, the Appeals Panel shall be a panel solely comprised of those individuals from the ~~Regulatory Oversight~~ Committee that are eligible to serve on the Appeals Panel and such additional individuals meeting the requirements of Public Director who are appointed by the Chief Compliance Officer. Members of the Compliance Department of ~~QCEX~~the Clearinghouse shall not be eligible to serve on the Appeals Panel. Members of a Disciplinary Panel may not serve on an Appeals Panel for the same matter.

(f) The Appeals Panel may hold a hearing to allow parties to present oral arguments. Any hearing will be conducted privately and confidentially unless the Appeals Panel decides that the hearing, or any part of it, should be held in public after giving each appellant the opportunity to present their views on holding a public hearing. Notwithstanding the confidentiality of hearings, the Appeals Panel may appoint individuals to attend any hearing and assist in the deliberations if such individuals agree to be subject to appropriate confidentiality agreements. In determining procedural and evidentiary matters, the Appeals Panel will be bound by evidentiary or procedural rules or law.

(g) The Appeals Panel will only consider on appeal the record before the Disciplinary Panel or, in the case of a summary action, the record considered by the Chief Compliance Officer or the Chief Compliance Officer's designee, the notice of appeal, the briefs filed in support and opposition of the appeal, and any oral arguments of the parties. The Appeals Panel may only consider new evidence when the Appeals Panel is satisfied that good cause exists on why the evidence was not introduced during the disciplinary proceeding or when imposing the summary action.

(h) After completing its review, the Appeals Panel may affirm or, only if it finds that the decision of the Disciplinary Panel or the Chief Compliance Officer that is under review, as the case may be, meets one of the criteria listed in Rule 7.12(i) below, modify or reverse any order of the disciplinary proceedings or summary action under appeal, in whole or in part, including increasing, decreasing or eliminating any sanction or remedy imposed, imposing any other sanction or remedy authorized by the Rules, or remanding the matter to the same or a different Disciplinary Panel for further disciplinary proceedings or for reconsideration by the Chief Compliance Officer. The Appeals Panel may order a new hearing for good cause or if the Appeals Panel determines in its sole discretion that the appellant was not given a full and fair opportunity to make an argument in its favor and present supporting evidence.

(i) As described in Rule 7.12(h) above, the Appeals Panel may modify or reverse any order of the disciplinary proceedings or summary action under appeal only if it finds that the decision was:

1. Arbitrary, capricious, or an abuse of the discretion of the Disciplinary Panel, the Chief Compliance Officer, or the Chief Compliance Officer's designee, as the case may be;
2. In excess of the authority or jurisdiction of the Disciplinary Panel or the Chief Compliance Officer, as the case may be; or
3. Based on a clearly erroneous application or interpretation of the Rules.

(j) As promptly as reasonably possible following its review, the Appeals Panel will issue a written decision on appeal rendering its decision based on the weight of the evidence before the Appeals Panel.

The decision of the Appeals Panel will include a statement of findings of fact and conclusions for each finding, sanction, remedy and cost reviewed on appeal, including each specific Rule and provision of Applicable Law that the respondent is found to have violated, if any, and the imposition of sanctions, remedies and costs, if any, and the effective date of each sanction, remedy or cost.

(k) The Appeal Panel's written order on appeal (including findings of fact and conclusions and the imposition of sanctions, remedies and costs, and the effective date of any sanction, remedy cost) will be the final action of ~~QCEX~~the Clearinghouse and will not be subject to appeal within ~~QCEX~~the Clearinghouse.

(l) Within ten (10) Business Days of being notified of the appointment of the Appeals Panel, a respondent may seek to disqualify any individual named to the Appeals Panel for the reasons identified in this Rule 7.12 or for any other reasonable grounds, by serving written notice on the Chief Compliance Officer. By not timely filing a request for disqualification, the respondent will be deemed to have waived any objection to the composition of an Appeals Panel. The Chief Compliance Officer will decide the merits of any request for disqualification within his or her sole discretion. Any such decision will be final and not subject to appeal.

7.13. Summary Imposition of Fines

(a) The Chief Compliance Officer may summarily impose a fine against a Participant or Authorized User for failing:

1. to make timely payments of margin, options premiums, fees, cost, charges or fines to the ~~Exchange or the~~ Clearinghouse;
2. to make timely and accurate submissions to the ~~Exchange or~~ Clearinghouse of notices, reports or other information required by the Rules; and
3. to keep any books and records required by the Rules.

(b) The Compliance Department, acting on behalf of the Chief Compliance Officer, will give notice of any fine imposed pursuant to this Rule 7.13 to each Participant or Authorized User subject thereto. The notice will specify (i) the violations of the Rules for which the fine is being imposed, (ii) the date of the violation for which the fine is being imposed and (iii) the amount of the fine. Within twenty (20) Business Days of serving the notice of fine, the Participant or Authorized User, as the case may be, must either pay the fine or file notice of an appeal pursuant to Rule 7.12. Unless timely notice of appeal is filed pursuant to Rule 7.12, the fine will become final upon the expiration of twenty (20) Business Days after the notice of fine is served on the Participant or Authorized User, as the case may be.

(c) ~~QCEX~~The Clearinghouse, in its sole discretion, may deduct the amount of any fine imposed pursuant to Rule 7.13(b) directly from the Participant's Account; *provided*, that ~~QCEX~~the Clearinghouse may not make such a deduction if the result would be to cause an event of default with respect to any Open Contract Positions then held in the Account of such Participant.

(d) ~~QCEX~~The Clearinghouse will set the amount of any fines imposed pursuant to this Rule 7.13, with the maximum fine for each violation not to exceed \$5,000. Summary imposition of fines pursuant to this Rule 7.13 will not preclude ~~QCEX~~the Clearinghouse from bringing any other action against the Participant or Authorized User, as the case may be.

7.14. Summary Suspensions and Other Summary Actions

(a) Notwithstanding anything in the Rules to the contrary, the Chief Compliance Officer or the Chief Compliance Officer's designee, upon a good faith determination that there are substantial reasons to believe that such immediate action is necessary to protect the public or the best interests of ~~QCEX~~the Clearinghouse, may order that any party be denied access to the ~~Exchange and/or the~~ Clearinghouse, or summarily limit, condition, restrict or qualify ~~the Trading Privileges and/or~~ the Clearing Privileges of a Participant or Authorized User, and may take other summary action against any Participant or Authorized User in accordance with the Rules; *provided, however*, that the Chief Compliance Officer or the Chief Compliance Officer's designee in issuing an order denying access, may permit such party to ~~enter Orders~~submit Contracts for clearing solely for the purpose of liquidating the Open Contract Positions of such Participant while the applicable suspension, limitation, condition, restriction or qualification of access is in effect.

(b) Promptly after an order is issued pursuant to paragraph (a), the party shall be informed of the action taken, the reasons for the action, the effective date and the duration of the action. The party shall also be informed of his or her right to appeal the action under Rule 7.12. Whenever practicable, the Compliance Department, acting on behalf of the Chief Compliance Officer, shall provide such notice prior to taking the action.

(c) Unless timely notice of appeal is filed pursuant to Rule 7.12, the summary action will become final upon the expiration of twenty (20) Business Days after the notice of action is served on the respondent.

(d) At the request of ~~the Exchange or~~ the Clearinghouse, a respondent against whom a summary action is brought pursuant to this Rule 7.14 must provide books and records over which the respondent has access or control and must furnish information to, or appear or testify before, the ~~Exchange or the~~ Clearinghouse in connection with the enforcement of any Rule.

(e) A respondent whose ~~Trading Privileges and/or~~ Clearing Privileges are suspended, limited, conditioned, restricted or qualified pursuant to this 7.14 may apply for reinstatement by filing with the Compliance Department a written request stating the applicant's reasons for seeking reinstatement. ~~QCEX~~The Clearinghouse will not consider a respondent's request for reinstatement if the respondent (i) persists in the conduct which was the subject of the order denying access; (ii) owes any fines, fees, charges or costs to ~~QCEX~~the Clearinghouse, (iii) continues to fail to appear at disciplinary proceedings without good cause or (iv) continues to impede the progress of disciplinary proceedings.

(f) Within a reasonable period after the filing of a request for reinstatement, the Appeals Panel will conduct a hearing to consider the request. At the hearing for reinstatement, the respondent will present its, his or her case supporting the reinstatement and the Compliance Department, acting on behalf of the Chief Compliance Officer may, in its discretion, present its case opposing or supporting the reinstatement and each may present relevant and admissible evidence and facts and call, examine and cross-examine witnesses. At the hearing for reinstatement, ~~QCEX~~the Clearinghouse may require any Participant or any Authorized User to appear as witnesses and produce evidence if the Appeals Panel determines that the evidence is relevant.

(g) As promptly as reasonably possible after a reinstatement hearing, the Appeals Panel will issue an order reinstating, denying the reinstatement, or placing conditions on the reinstatement of the ~~Trading Privileges and/or the~~ Clearing Privileges, or association with a Participant, of the respondent. The order will include a brief summary of the evidence introduced at the reinstatement hearing; and, if applicable, findings of fact and conclusions not contained in the Appeals Panel's initial order issued pursuant to Rule 7.14(d) above. The Appeals Panel's order may not be appealed.

(h) Any decision to deny access pursuant to paragraph (a) shall not remain in effect for more than sixty (60) Business Days unless the Chief Compliance Officer or the Chief Compliance Officer's designee, upon further consideration of the circumstances giving rise to the order denying access, issues a separate order denying access for an additional period of time, not to exceed sixty (60) Business Days. The party must be notified thereof prior to issuance of the

second order, unless prior notice is impracticable. Such notice must meet the standards provided in paragraph (b). At any time, a party subject to an action under this Rule 7.14, may petition the Chief Compliance Officer or the Chief Compliance Officer's designee to reconsider an access denial pursuant to this Rule based upon materially changed circumstances.

(i) When the ~~Trading Privileges and/or~~ Clearing Privileges of a Participant are, or the association of an Authorized User with a Participant is, suspended for a period of 12 months or less, none of its rights and ~~Trading Privileges and/or~~ Clearing Privileges (including the right to hold oneself out to the public as a Participant, ~~enter Orders into the QCEX Direct System~~submit Contracts for clearing, and receive Participant rates for fees, costs, and charges and deposit margin at Participant levels) will apply during the period of the suspension, except for the right of the Participant or Authorized User in question to assert claims against others as provided in the Rules. Any such suspension will not relieve the Participant or Authorized User in question of its, his or her obligations under the Rules to perform any Contracts entered into before the suspension, or for any ~~QCEX~~Clearinghouse imposed fees, costs, or charges incurred during the suspension. ~~QCEX~~The Clearinghouse may discipline a suspended Participant or Authorized User under this Chapter 7 for any violation of a Rule or provision of Applicable Law committed by the Participant before, during or after the suspension.

(j) When the ~~Trading Privileges and/or~~ Clearing Privileges of a Participant are, or the association of an Authorized User with a Participant is, terminated, all of its rights and ~~Trading Privileges and/or Clearing~~ Privileges will terminate, except for the right of the Participant or Authorized User in question to assert claims against others, as provided in the Rules. A terminated Participant or Authorized User may only seek to reinstate its ~~Trading Privileges and/or~~ Clearing Privileges by applying for ~~Trading Privileges and/or~~ Clearing Privileges pursuant to Rule 3. ~~QCEX~~The Clearinghouse will not consider the application of a terminated Participant or Authorized User if such Participant or Authorized User, as the case may be, continues to fail to appear at disciplinary proceedings without good cause or continues to impede the progress of disciplinary proceedings.

(k) A suspended or terminated Participant or Authorized User remains subject to the Rules and the jurisdiction of ~~QCEX~~the Clearinghouse for acts and omissions prior to the suspension or termination, and must cooperate in any inquiry, investigation, disciplinary proceeding, appeal of disciplinary proceedings, summary suspension or other summary action as if the suspended or terminated Participant or an Authorized User still had ~~Trading Privileges and/or~~ Clearing Privileges or was still associated with a Participant, as the case may be.

7.15. Publication of Disciplinary Action
